Gorilla Technology Expands Global Footprint with New Office in Chennai, India

May 11, 2023

LONDON, May 11, 2023 (GLOBE NEWSWIRE) -- Gorilla Technology Group Inc. ("Gorilla") (NASDAQ: GRRR), a global provider of AI-based edge video analytics, IoT technologies, and cybersecurity, today announced the opening of its new office in Chennai, India. The new office is strategically located in the heart of Chennai, and it will serve as the base for Gorilla's Indian operations.

The new office will initially house a small team with near term plans to grow to into a global center of excellence in research, product customization, implementation and solutions services across multiple business units, including IoT, cybersecurity, video analytics, airgap networks and smart cities.

"We are thrilled to expand our global footprint with the opening of our new office in Chennai, India," said Jay Chandan, CEO & Chairman of Gorilla. "The expansion of our footprint to India represents a significant milestone in our growth strategy, and we are excited to tap into the local pool of skilled talent and continue our mission of providing cutting-edge technology solutions to our clients across the world."

With the new office in Chennai, Gorilla will further enhance its global presence and strengthen its service capabilities in Southeast Asia and the Middle East regions, while enabling Gorilla to provide enhanced support to its existing customers while also expanding its customer base.

"We are delighted to open our new office in Chennai, India, and we are confident that our local presence will enable us to provide better support and service to our clients in the region," said Mohan Raj Kumar, Global Head of Customer Success Alliance & Indian Operation Leader. "We are committed to delivering innovative technology solutions that help our clients succeed in their respective markets, and we look forward to continuing our mission in India and beyond."
